RezEasy

Software for the travel
and hospitality industry

Sell your flights and flight/accommodation packages online:

RezEasy Tours is the affordable and cost effective Internet Booking Engine available on the market today. It is a totally Internet based system that has been specifically designed to enable Tour Operators and other Travel Companies of any size, to sell products online in real-time direct to customers.

Built using the latest Internet technology, RezEasy Tours is flexible, easy to use and is an ideal reservation system for flights, flights/accommodation packages, and accommodation only packages.

Specialist travel companies, travel agents and multi-channel travel portals, to name but a few, can also take advantage of this amazing program.

The Facts:

Travel remains the Internet's second largest business and it is set to grow to $21 billion by 2010. All recently published statistics on Internet sales, confirm that travel and in particular airline tickets and accommodation, represent almost 50% of all Internet transactions worldwide.

Take control of your business:

For just the cost of a cup of coffee per day you can have your own online reservations system working for you 24hrs a day, 7 days a week, 365 days a year. You control inventory, prices, availability etc. We provide a state of the art reservation system including installation and free upgrades.

RezEasy Tours Can Handle:

- Package Tours
- Flight Only Tours
- Flights and Accommodation
- Wholesale Tours and Accommodation
